

## **RIVERSIDE LEADERSHIP OUTDOOR CLASSROOM PROJECT**

The Outdoor Classroom (at the corner of Porter and Harrison) continues to be transformed from a deserted wasteland into an inspiring and artistic extension of the traditional learning classroom.

We are selling bricks to continue to raise money for our needs, including picnic tables made out of recycled materials. The bricks will be installed permanently in the Outdoor Classroom and will be engraved according to your wishes. Each brick is **\$15** and together we will make a HUGE difference to our school as well as another school that suffered. You do not have to be a student of Riverside to have a brick; anybody who wants to help make a difference can purchase one.

Payment can be made by cash or by check, made out to "Riverside PTO". If you provide an email address on the attached form, a photo of the brick that is created will be emailed to you once completed. Bricks will hope to be installed before summer's end in the Outdoor Classroom.
